**Re: United States v. Bonventre et. al., No. 10-cr-228 (LTS)**

Dear Judge Swain:

On behalf of all defendants, we request the Court's authorization to extend the Court's September 24, 2013 Order to bring various computing and electronic devices into the courthouse for use during trial. The Court's September 24, 2013 Order, attached here, permits defense counsel to bring in equipment beginning on October 7. In light of the Court's plan for jury selection set forth at the pre-hearing conference yesterday, defense counsel believes it will be most expeditious to review jury questionnaires in the room set up in the courthouse for use by the defense. To that end, defense counsel respectfully requests permission to bring electronic equipment into the Courthouse for the preliminary jury selection days.

Respectfully submitted,

Eric R. Breslin

The Court hereby authorizes the listed attorneys to bring the computing devices listed in the Court's September 24, 2013 Order for use of computing devices during trial, in addition to any cellular telephone permitted to the attorney with a "Secure Pass", for use during jury selection the above-captioned action, which is anticipated to begin on October 2, 2013, and conclude on or about October 4, 2013.

The attorneys identified in the September 24, 2013 must present a copy of this Order and the September 24, 2013 Order when entering the Courthouse. Their bringing of the equipment into the building constitutes a certification by them that the electronic devices lack (a) the capacity to make or record images or sounds or to send or receive wireless transmissions, and (b) one or more infrared ports or, alternatively, that any such capability or ports have been disabled. They shall not use or permit the use of such equipment to make or record images or sounds or to send or receive wireless transmissions.

This order does not authorize any attorney or law firm to bring more than three computing devices into the Courthouse unless its receipt has been acknowledged below by the Chair of the Court's Technology Committee.

SO ORDERED.
